Part I SIGNATURE (Must be signed f	or elections to become effective								
I have read the materials for the County's group insurance program, as well as the information available on the individual benefit plans. This election form indicates my benefit elections and dependent coverage for calendar year 2006. I understand that I am responsible for my share of the costs associated with these benefit elections. If I have elected no coverage for medical, prescription, dental, and vision, I understand that it is important that I have such coverage elsewhere that is adequate to meet my needs and the needs of my dependents. I understand that these elections are in effect for the entire 2006 calendar year and can only be changed during the year if I have a Change in Status, as described in the Summary Plan Description for the group insurance program. I authorize the release of information contained on this election form to entities such as benefit carriers, to the extent necessary to properly administer the benefits I have elected. I understand that electing benefits to which I, my dependents, or any other person are not entitled is considered fraud. In all cases, I am responsible for my benefit elections and those of other persons for whom I elect to be covered. I further understand that if I willfully misrepresent my eligibility or that of any other person on this election form, or fail to take the steps necessary to remove ineligible dependents, or in any way obtain benefits to which I am not entitled, my benefits will be cancelled, I may be required to repay any claims which have been paid inappropriately, and I may face charges. I understand that the County expects to continue the group insurance program, but it is the County's position that there is no implied contract between retired employees and the County to do so. I also understand that the County at any time, either prospectively or retroactively, to conform with the Internal Revenue Code.
